1. Welcome and Introductions – (Sky & Indie)
2. Review of Minutes from 3.26.14 (Sky)
 - No updates or comments to last month's meeting minutes
3. Abdi and Teddy announce upcoming event on mental health April 29th "Illness to Wellness"
 - Request a representative from Boynnton to attend
 - Invited all to attend
4. Survey Demographics (Dave)
 - Update from meeting in April with John Kellogg, Shelly Wymer
 - Lots of enthusiasm for the project
 - Standardization would be welcomed
 - Another meeting April 6th
5. 624-WALK
 - Justin updated that it is standard to have people ride in the back seat
 - Bronte recommended a plains clothes police officer would be less conspicuous
 - Encourage hiring students to avoid using police all together
6. Statements and voting for a new co-chair
 - Abdi gave a statement, Char conceded in support of Abdi having the position.
 - Indie motioned to move forward with Abdi as the sole candidate for the position and skip paper voting, Kevin seconded the motion
 - Unanimous yay vote, 0 nay vote, 0 abstaining voters in support of Abdi taking the position
7. Campus Safety and Safe U
 - Support for getting data, will work on how to make this happen
8. Parental Leave for Students (Dave, Cecilia, Kevin)
 - Meeting April 1st with Susan Warfield
 - Bill of Rights is in the works, likely be complete by the end of the semester
 - SHAC can review and support this resolution and push this out through our student groups
 - Propose a Town Hall meeting to support and bring attention to the issue
9. SHAC updates
 - Ask that people let us know whether they will stay with SHAC next year or to have a representative from their student group join us instead
 - Please contact Dave to let us know their plans
 - Propose that start time be 11:30am to better fit into the campus schedule
 - Students mostly nodded in approval of time change, does provide a conflict for some members of Boynnton Staff
 - Bring back to make a final decision
10. Sexual Assault on Campus MSA
 - Sonia explains further ideas around affirmative consent- MN Sex Academy
 - Confirms that video is diverse. She will send the link to our chairs.
 - SHAC can get involved in the affirmative consent policy that will be discussed this summer

- Dave asks how to report a violation- Bronte explains that they can go to any hospital and have an evidentiary exam, provided with option to report to the police within 120 hours. After 120 hours could still report policy violation to EOA.
- Have a representative come speak to us in the fall about how we could help encourage reporting and demystify the process.

11. Dental Services

- Would we want to look at mandatory dental insurance?
- Could this be wrapped in the student health plan (medical)?
- Would this be a way to benefit everyone?
- \$22-25 per member per month for the graduate plan
- Char wonders if this is something students are asking for or something Boynton is proposing
- Start with preventive care?
- Continue discussion next time

12. Adjourn

- Indie adjourned the meeting
