

SHAC Minutes
11/06/14

SHAC Members Present: Char Coal, Kevin Cunningham, Schulyer Handy, Abdi Hassan, Indie Lewis, Lars Mackenzie, Rachel Mezera, Alison Miller, Addie Nelson, Anastasia Press, Cameron Schilling, Adam Scott, Enoch You, COGS

SHAC Members Absent: Lyndsay Pryor, Apoorva Reddy, Sana Siddiqui, Cecilia Stevens, Xi Yu

Boynton Staff Present: Carl Anderson, Tom Bilder, Gary Christenson, Dave Golden, Sue Jackson, Julie Sanem, Ferd Schlapper

1. Welcome and Introductions – (Indie and Sky)
2. Review of Minutes from 10.16.14 (Indie and Sky)
 - A few edits were noted and made.
3. Updates- Information only
 - Abdi Update – Congratulations Scholarship?
 - Scholarship from DRC
 - Cirque de-Stress- October 28th Coffman Great Hall
 - Successful event: around 3000 participants and more than 30 resources/vendors
 - People come to see a circus and learn about stress and stress management
 - Good media coverage
 - Next Meeting, November 20th W120 Roen Room BHS
 - SHAC meets on the first and third Thursday of each month
 - U-Pass and Metro Mobility – Ross Allanson from Parking and Transportations services follow up (Dave and Abdi)
 - Asked Ross if it was possible for students using Metro Mobility to use their U Pass. He said no.
 - Riders have to qualify to use Metro Mobility. Not all students have access to Metro Mobility so giving students access through the U Pass is not an option right now.
 - The Metro Mobility pass is more expensive for fewer rides than the U Pass.
 - In Abdi's opinion, students would not abuse the use of Metro Mobility if access was given through the U Pass. Metro Mobility has systems in place to prevent that.
 - Paratransit runs only on week days.
 - Occupational Health (Cameron, Addie, Dave) Tentative meeting with Joe Klancher 11/13
 - SHAC members should have prepared questions they would like to ask.
 - Campus Safety and Safe U- Ann Freeman Available for next SHAC meeting
 - Parental Leave for Students (Dave, Cecilia, Kevin, Sana) Waiting for HR response
 - HR will have designate a person to connect with
 - Survey Demographics (Dave, Cecilia, Char, Lars) Katie L setting up meeting
4. Sexual Assault on Campus (Julie, Indie, Sky) October 23rd meeting with MSA (DISCUSSION)
 - MSA Campaign – No Gray Campaign SHAC recommendations
 - Indie, Sky, and MSA members have been working on creating a forward for the MSA Sexual Assault Report: explaining the purpose and the methodology (including the sample)
 - General Mills worked with Zeus Jones to create this campaign. It was not used by the group that it was originally created for so they are looking for a new home.
 - The tagline is No Gray, which aims to clarify that there is no gray area when it comes to sexual assault and consent.
 - "Rape" can be triggering to victims and survivors but it can also be create conversation and be empowering to other victims and survivors.
 - It is important to look at best practices from other schools.
 - The tagline should be impactful but maybe include different wording.
 - The population this campaign was created for was not necessarily the University population.
 - It sounds like MSA wants to go forward with this campaign.
 - Joelle and Drew from MSA will be able to attend the next SHAC meeting.
 - According to Health Minds data, about 300 students were assaulted in the past 30 days.
 - This is a good example of the University's Strategic Plan to reject complacency.
 - What will the campaign do? Support victim survivors and focus more on prevention?
 - Will the campaign have any focus on the perpetrator?

- University of Minnesota Policy Review Sexual Assault
 - To be discussed later!
- 5. Sleep Zones CMU follow up (Sky) (DISCUSSION)
 - Other initiatives-sleep hygiene undergraduate update, screening, other publications, posters
 - Meeting at 3 pm today with Coffman. The goal of this meeting will be to determine if Coffman thinks this is a feasible activity.
 - This activity could be framed within a larger campaign promoting sleep
- 6. Saturday hours at Boynton- review information (Carl and Ferd) (DISCUSSION)
 - SEE HANDOUT!
 - Boynton is currently reviewing the conditions seen on Saturdays and determining if these conditions could be managed elsewhere or with self care.
 - Most conditions could be managed with self care.
 - Some would require an emergency room visit but they require an emergency room visit even if they are seen at Boynton first.
 - Boynton is looking for input on the possible discontinuation of Saturday hours.
 - Once a decision is made, at least 60 days notice would be given.
- 7. Old Smoke Free Signs (DISCUSSION)
 - Treasure hunt?
 - \$10.00 incentive per sign?
 - The old signs are still up.
 - We could potentially have a central repository for people to show their pictures or make a google map that people can add to.
 - At least we would have the signs identified. The next step would be to get them removed!
- 8. Adjourn
