Parking Directions

- The Julia M. Davis Speech-Language-Hearing Center has LIMITED parking for our clients. There are five parking spots available in the C48-F lot located on the NE side of the building.
- You must check in with the front desk in Shevlin Hall room 115 in order to receive a lot permit for the duration of your appointment. The receptionist will inform you if parking is not available for your appointment, and provide you with alternative parking information.
- Your parking permit must be clearly displayed, hanging on your rear-view mirror. Do not leave your vehicle unattended without a permit for more than the time that it takes to check in with the front desk to receive a lot permit.
- Once you have hung the permit in your car, return to Shevlin Hall room 115 to pay for your session.
- At the end of your appointment, remember to return the parking permit to Shevlin Hall room 115.
- **Please note that on rare occasions you may be asked to give up your space in lot C48-F if a person with disability needs is also being seen at our clinic and they are unable to find handicapped parking.**
