Guests: Claire Brightenstein & Joelle Stangler from MSA

1. Welcome and Introductions – (Abdi)
2. Review of Minutes from 1.21.16 (Abdi)
 - No changes.
3. Mental Health update from MSA
 - Successes
 - i. Absence policy will be ratified to better accommodate those dealing with mental health concerns
 - ii. Received commitment from BHS and SCS to host a MH screening day
 - iii. Progress on creating a fall break
 - iv. Awareness campaign coming in March
4. Eating disorders- Kayla Hanzek-Brill
 - February is eating disorder awareness month
 - Online screening week February 22nd-27th “3 minutes could save a life”
 - Interested in having computers available to students to promote this online screening
 - Maddie suggests this screening be added to the MH website that currently exists. Dave says this can be added.
 - Could this be combined with the MSA sponsored MH screening day?
 - General assessment tool that will be used for MH screening day will include assessment for eating disorders
5. Grocery store shuttle
 - Dave announces that a grocery store shuttle will be launched soon with the support of MSA and Boynton
 - Better meal planning leads to healthier eating and spending less. These are some of the benefits of this idea.
 - MSA will primarily promote this program. Boynton will likely provide some email communication.
 - This may help with the issue of food insecurity on campus.
6. Student Service Fee Committee Update
 - Carl reports that is our off year. We will have an hour to give the fees committee an update on our current finances and updates on what we are currently doing- specifically in terms of mental health and gopher chauffeur.
 - We will show that we are recovering from our deficit and should be out of it by the end of 2017.
 - Full report provided to SHAC members and available by request.
7. Next meeting scheduled for February 18th, 11:30am Boynton Garden Room

Ongoing Projects- no updates this meeting
