

Student Health Advisory Committee
9.5.18

SHAC Members Present: Mackenzie Callaway, Leslie Kent, Predrag Radakovic, Lexi Carstensen, Ansiya Khan, Anthony Lawlor, Mateo Frumholtz, Sharon Ogata, Ashley Harrington, Sravani Sadineni

Boynton Staff Members Present: Carl Anderson, Gary Christenson, Dave Golden, Ben Hickman, Anne Hodgson, Sue Jackson, Julie Sanem

1. Welcome and introductions
2. Review of minutes from 4.24.18
 - a. Minutes were approved with no changes
3. Expectations of SHAC members
 - . Show up. If you can't attend please try to find another representative from your group to attend in your place.
4. Co-Chair Goals for 2018-2019
 - . This is your space and your time. Please feel welcome to speak and say what is on your mind.
 - a. Mental health
 - b. Safety on campus (awareness of services)
 - c. Sexual misconduct
5. Boynton Updates
 - . 2018 College Student Health Survey Data. Survey has just been completed and we are starting to analyze the data. Some of the things we are seeing:
 - i. Number one issue on campus is mental health
 - ii. 1% of current full time students are currently uninsured
 - iii. Marijuana use it up
 - iv. We will have more information to come
 - a. President's Initiative to Prevent Sexual Misconduct
 - . Launched last year, campus wide initiative
 - i. There are several subcommittees working on various parts of the project (including student engagement, research, evaluation, public awareness)
 - ii. Student engagement committee is coordinating the online training that has been happening for a couple of years already. They will be identifying additional training needs by working with groups of students.
 - b. Food and Housing Insecurities
 - . Up to 17% of UMN students are experiencing some kind of food insecurity
 - i. Food pantry was launched to help alleviate some of that immediate need
 - ii. Looking more broadly at college affordability and housing insecurities
 - c. Gopher Chauffeur
 - . Program started in 2007 by MSA to address concerns about an increase in crime in the area. Boynton took the program on in 2008.
 - i. We operate five 7-passenger vans and a paratransit vehicle when requested
 - ii. Starting this fall the service will run 7 days a week during the school year. Sun-Wed 8:30pm-12:30am Thurs-Sat 10pm-2:30pm
 - iii. Boynton will likely be asking for additional student service fees to cover the funding of the expanded hours
 - d. RFP Update

.Office of Student Health Benefits (within Boynton) manages all the health plans offered at all 5 campuses. This includes:

1. Student Health Benefit Plan (SHBP)
2. Graduate Assistance Plan (GAHP)
3. Residents, Fellows and Interns Health Plan (RFIHP)

i. Every 6 years the contracts go out to bid to make sure we are obtaining the best cost savings and services through our plan administrator for our student plans. For the plan years beginning in July for the RFIHP and fall semester for SHBP & GAHP, we will be consolidating all plans into one provider which will create administrative efficiencies as well as reduce administrative costs and lower the cost of stop loss coverage.

ii. Overall cost decrease in these expenses for three plans will be 15%, which over the next 6 years will equal about 2.5 million dollars. Claims for actual medical services for students that will be administered through the new contract will be approximately \$32 million per year (\$8 million in services at Boynton are adjudicated in house)

iii. The vendor that was chosen will also be providing sponsorship funding (200,000 over the next 6 years of the contract) for some wellness programming that would impact all 5 campuses.

e. EverFi Contract

.This is the company which provides our online training for students, staff and faculty (Alcohol Edu, Transit, Financial Wellness, Sexual Misconduct Prevention)

i. \$100,000

f. Boynton Health 100 Year Celebration

.Save the Date: October 4th, 2018 3pm-5pm reception at McNamara

i. Please join us!

g. Priorities for the year

.Think about this and get back to Mackenzie and Leslie with your ideas

6. Old business

. Last spring a few SHAC members were working on a way to capture health issues that are impacting people/groups on campus. (survey?)

a. Absence note policy: We are still working on a self declaration form in place of a note.

7. New business

. We are looking for a representative for the St. Paul Planning Committee. Let us know if you (or someone you know) might be interested. **Lexi Carstenson volunteered.

8. Meeting adjourned
