Boynton Staff Members Present: Carl Anderson, Dave Golden, Ben Hickman, Anne Hodgson, Julie Sanem

1. Welcome and introductions
2. Review of minutes from 10.3.18
 - a. Minutes were approved with no changes
3. Dates were confirmed for SHAC orientation (Wednesday, October 31st at 12pm) and a bowling event (Friday, October 26th at 6pm)
4. Absence Note Policy
 - . Compliance- Jennifer Reckner from Council for Undergraduate Education or Jan Morse with Conflict Resolution Center are both appropriate places/people to take non-compliance issues to.
 - a. Administrative policies supersede departmental or professional program policies
 - b. Plan to communicate this information in the undergrad and grad updates, emails to deans, and through student groups.
5. Student Service Fee Request
 - . Last year, Boynton had an increase of 4.65%. Overall, fees increased by 1.47%
 - a. We will be asking for an additional 3.5% increase this year (estimated by needs for additional mental health staff, Nutritious U Food Pantry, and the Gopher Chauffeur expansion)
 - b. We will be forming a committee to look more specifically at the fees request
 - c. Ideally this committee will meet in late November. SHAC will approve the fees request on January 24th (additional meeting, if needed, Jan 30th or Feb 6th). Administrative unit presentations/deliberations are scheduled for either Feb 15th or Feb 22nd.
 - d. Mackenzie, Leslie, Mateo and Ashley are all interested in joining the committee
6. Collecting Student Group Feedback
 - . Add a question about harassment
 - a. Add a question about food insecurity
 - b. Ask about department climate/learning environment
 - c. Look into guidebooks (program provided resources). Some list safety resources like Gopher Chauffeur, 624-WALK, others don't have a lot of information. It would be great if there was some uniformity.
 - d. Add "this survey will take no more than 5-10 minutes to complete"
 - e. If there is a way to add what the survey information will be used for people may be more likely to complete it.
7. Pharmacy
 - . Medication Disposal- safe way to dispose of unused medications (decreases environmental risks and harm risks)
 - a. Group provides some feedback to Jeremy's mockup
 - b. Jeremy will connect with Holly & Dave for next steps
8. New business
 - . MSA is launching a wellness campaign the week before finals
 - i. They are currently working on gathering resources all in one place
 - ii. Similar initiatives are happening through PSG and COGS

iii. Carl mentions that there is a 'U at College' application that could be an option for a location for all health and wellbeing resources (Though there is a \$40,000-\$50,000 cost)

9. Adjourn
